EDUCATION

York University

Sep 2020 - Present

Bachelor of Commerce, Accounting

Cumulative GPA: 7.06/9.00

Expected Graduation: August 2027 (subject to completing a four-month co-op)

- York University Co-op; available for a four-month Winter 2027 work term; intends to pursue the Canadian CPA designation after graduation.
- Relevant Tax Coursework: AP/ADMS 3520 – An Overview of Canadian Income Taxation (A); AP/ADMS 4561 – Taxation of Personal Income in Canada (in progress, Fall 2026).
- Relevant Technology Coursework: AP/ADMS 3370 – Advanced Spreadsheets (A).

RELEVANT EXPERIENCE

Customer Service Representative

Paris Baguette, Toronto, ON

Jun 2025 - Aug 2025

- Processed POS transactions and cash and credit payments as part of a new location's opening team.
- Used fluent Korean-English communication to explain products and assist Korean-speaking customers when most coworkers had limited Korean fluency, reducing language barriers in service.

At-Sea Military Interpreter & Operational Briefing Specialist

Republic of Korea Navy, Incheon, South Korea

Sep 2022 - May 2024

- Maintained Situation Reports (SITREPs) to support accurate documentation during live naval operations.
- Helped prepare operational briefing materials in PowerPoint for duty-officer review and reporting through the command chain to the Incheon-area naval commander.
- Provided simultaneous Korean-English interpretation during combat-vessel repairs with U.S. engineers and served as a military linguist in Korea-France joint operations.
- Received a commendation from the commanding officer of ROKS Incheon for performance and service.
- Served for approximately six months as Barracks Room Leader, resolving peer conflicts and coordinating the fair allocation of shared duties and resources.

Store Manager

Family-owned Korean deli, Jeju-si, South Korea

Feb 2022 - Aug 2022

- Performed daily till reconciliation against prior-day cash and store records to identify discrepancies or recording omissions and support accurate records.
- Suggested a seven-day price promotion and created a Naver Band online customer group for daily specials, contributing to approximately 10% higher monthly POS-recorded store sales than the preceding month.
- Coordinated with managers at other locations to balance inventory levels and prevent stock-outs.

SELECTED PROJECT

CPA Journey Portfolio Website | [Next.js](#), [GitHub Pages](#)

2026 - Present
